Louise:

I would like to join the Pershing Square Advisory Board. Could you please let me know when the next meeting is so I can come up to speed and submit my application?

You may remember me from a few years back when I was putting the downtown Art Walk into a non-profit, and I decided to not join the advisory committee at the time because I was too busy w/ that endeavor. My schedule is such that I have the time and attention now for the Pershing Square advisory board.

Cheers

Richard Schave

Hi Again Richard,

I'm just picking up my emails and came across your initial communication. Again I suggest you attend the PAB meeting Oct 10 at 8:30 am to get a feel of what work the board is currently working on.

You are correct, in my hast, I sent the trail of e-mails that explained that the PAB meeting for Oct. 10th was at 8:30am. Then the follow up where Louise stated that she would see you on the 13th of Mar. I got an email today that you were looking for the meeting this morning, FYI the meetings are always on the second Wed of the month.

Annamaria:

Yes, confusion.

The website is incorrect. I hab been in corospondence w/ you & Louise about March 13th, and then I noticed the evening of the 12th that the meeting was listed as being on the 14th, so I arrived on the 14th.

As you must know, here is the website URL with the incorrect dates:

<http://laparks.org/pershingsquare/#pab>

Perhaps there is a reminder mailing which you send out to the attendees of the meeting--I know from my past participation in the PAB, that the group is pretty much a regular group? Could I be on that list, if it exists?

Do you post an agenda? Do you post minutes? I meant to ask about this at the meeting.

Cheers

Richard
